Further information

Effective Monday 22 November 2021, the existing fees and charges will be applicable for reviews of all submitted Fire Engineering Briefs and Reports in line with Fire and Emergency Regulations, Schedule 4, Part 5 & 6. Please note fees will be invoiced per review independent of applications for Building Fire Safety Report.

Current schedule of fees can be viewed at <https://pfes.nt.gov.au/fire-and-rescue-service/publications>.
